

Gold Medal Squared

Dear Coach,

Two hours of college credit is available through Northern Michigan University when you attend a Gold Medal Squared coaching clinic.

The cost is \$100/credit hour, and it counts towards graduate credit.

It is important that you register and pay for your credit within a few days of attending the coaching clinic. The classes won't be available on the web site all summer long since some of our clinics happen in a particular semester, while others happen in a subsequent semester.

We will send a roster of attendees to NMU to verify both your attendance and your grade for the course after you sign up for credit.

Follow these easy steps:

1. Log on to <http://www.nmu.edu/usoc>
2. Select: Register for a Course
3. Select: Available Sports
4. Register with NMU.
5. Make payment (\$100 per Graduate Credit)
6. Request your transcript from NMU at www.nmu.edu/records/
